REPORT OF PUBLIC HEALTH NURSE

Maine Department of Health and Welfare

Division of Public Health Nursing, Bureau of Health

Annual Report of Public Health Nursing Services in

St. Albans for the year 1967

Public health nursing has always been interested in the promotion of health and the prevention of disease. Health needs are constantly changing as medical science advances and as new needs occur. It is necessary to continually evaluate and assess the health needs and programs of a community. Services provided are in keeping with broadened functions and new trends. The public health nurse is one member of a team that works to alleviate suffering, restore health, prevent illness, and promote healthful living. Some of her services include health teaching of individuals and families in their homes; nursing care of the sick and rehabilitation of the handicapped under the direction of the family physician; and prevention and control of communicable disease through immunization clinics and health education.

A statistical summary of the public health nursing services provided in St. Albans is as follows:

CHILD HEALTH CONFERENCE PROGRAM

		Number Immunized			
Number Children Examined by Physician	Diphtheria Tetanus	Polio	Smallpox	Measles	
	Whooping Cough				
13	40	64	22	26	

SCHOOL HEALTH PROGRAM

	Polio	Measles
Number Children Immunized:	122	24

The State Department of Health and Welfare conducts Orthopedic, Pediatric, Cardiac, Cystic Fibrosis, Hemophilia, Cleft Palate Evaluation, Hard of Hearing and Speech Clinics and the Clinic for Mentally Retarded Preschool Children. Referrals to these clinics have been made at the request of the family physician and home visits made to assist families in carrying out clinic recommendations for treatment.

Your public health nurse wishes to thank everyone who has helped to promote better living in your community.

Respectfully submitted,

KEITHA J. PRESTON,

Public Health Nurse

AUDITOR'S REPORT

January 8, 1968

Board of Selectmen

St. Albans, Maine

Gentlemen:

In accordance with Title 30, Section 5253, MRSA 1964, and at your request, the records of the Town of St. Albans have been audited for the period January 1, 1967 to December 31, 1967 inclusive.

The examination was conducted in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be determined within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules incorporated in this report present the financial position of the Town at December 31, 1967, and the results of its operations for the year then ended.

All of which is respectfully submitted.

Very truly yours,

R. A. JAMIESON

JOHN T. SINGER

Jamieson & Singer

Town of St. Albans

January 1, 1967 to December 31, 1967

An audit has been completed of the books and records of the Town of St. Albans for the year ended December 31, 1967.

The records maintained by the Town Manager, Tax Collector, Assessors and Town Clerks were audited. The system of internal control was reviewed. Accounting records and other supporting evidence were examined or tested to the extent deemed necessary under the circumstances.

It is believed that the accompanying balance sheet together with the related financial statements fairly presents the financial position of the Town at December 31, 1967, and the result of its operations for the year then ended.

ASSETS

All cash received was deposited to the credit of the savings account as warrants were drawn. The savings account earned interest of \$134.36 during the year. Deposits were made promptly and in accordance with statutory requirements.

At the year end the cash balance was \$1,636.49 but was reconciled as follows:

Balance per Bank Statement—12-28-67	
The First National Bank of Pittsfield	\$ 14,708.07
Deposit in Transit	9,989.00
	<hr/>
Total	24,697.07

Less—Outstanding Checks		24,447.55
Checking Account		249.52
Savings Account—Book No. 1384		
The First National Bank of Pittsfield		649.98
Savings Account—Book No. 1972		
The First National Bank of Pittsfield		736.99
Cash Balance	\$	1,636.49
The 1967 assessment charged to the Tax Collector was accounted for as follows:		
Cash Collections	\$	54,215.88 78.1%
Taxes Receivable		15,275.77 21.9%
Total	\$	69,491.65 100.0%

The Tax Collector had secured unpaid 1966 taxes assessed against real estate by tax liens. The Tax Collector also collected \$7,774.27 on prior year taxes covering the year 1959 through 1966 inclusive.

Unpaid 1966 tax liens amounted to \$4,361.17 and were all recorded.

At the annual meeting the town authorized the Selectmen to sell town owned tax acquired property. Town owned property was sold for \$80.10 at a loss of \$12.10.

LIABILITIES

During the year tax anticipation notes of \$22,118.89 were issued and paid. A note of \$4,869.37 for Town Road Improvement from the First National Bank of Pittsfield was issued and was outstanding at the year end.

Accounts payable totaled \$1,466.22 at the year end.

RESERVES AND SURPLUS

At the annual meeting the Town voted to transfer the balance in the Capital Reserve School Building Depreciation Fund to a Capital Reserve Equipment Fund as the purpose of the School Building Fund had been abandoned. The investments of the Building Fund were liquidated and a gain of \$1,766.33 was realized on the sale. This amount together with dividend earnings of \$245.73 increased the fund to \$6,576.79. This amount was transferred to the Capital Reserve Equipment Account and deposited in a savings account. Expenditures of \$4,500.00 for a snowplow and truck were made leaving a balance of \$2,076.79 at the year end.

Unexpended balances and overdrafts in certain appropriation accounts were carried forward instead of being lapsed to surplus, because of the continuing nature of the accounts. The total of these accounts carried forward was a net overdraft of \$896.49.

The unappropriated surplus was decreased by \$904.14 as a result of the year's operations and totaled \$23,698.38 at the year end. The principal factor contributing to this decrease was overdrafts in certain of the appropriated accounts which were lapsed at the year end and the appropriations made from surplus at the last town meeting. The changes in this account are analysed in detail on Exhibit E.

TRUST FUNDS

The investments of the trust funds were verified by physical inspection of the securities. All examined were in accordance with statutory requirements. New funds totaling \$2,100.00, including a \$300.00 Cemetery Flower Fund were accepted at the last town meeting and new funds of \$730.00 are now being held pending acceptance at the annual town meeting in 1968.

GENERAL

Excise tax receipts totaled \$9,760.66 and were verified by examination of the copies of the receipts retained by the Tax Collector. The town appropriated \$6,600.00 from excise tax receipts.

The following bond was on file in the Town office:

Peerless Insurance Company No. S-35-48-65

James H. Beer, Town Manager, Tax Collector and
Treasurer

The overlay of \$2,332.52 was within the statutory limit and was transferred to unappropriated surplus.

A review of the appropriations made at the annual town meeting indicated that none had exceeded the amounts appearing in the warrant.

It was gratifying to note the improvement in the manner in which the records of the Tax Collector and Town Manager had been maintained.
